

Agenda for the SCST Ethics Committee Meeting

Tuesday 6/08/2010

8:00 am – Welcome and sign attendance sheet

8:05 am - REPORT OF SEED ANALYSIS – Pat Jennings
Information that is required on a Report of Seed Analysis.

8:40 am – Review *Practical Issues Concerning Registered Seed Technologist For Routine Seed Testing* –

1. Discuss statement to be made when deviating from standardized seed testing rules.
2. Discuss statement for guidelines for the merging of seed analysis certificates into one certificate from different submitted samples from the same seed lot. Note article in February 2009 Seed Technologist Newsletter, page 30.
3. Do we want these statements to be part of the Rules?

8:50 am - New business.

9:00 am - Adjournment.
